

Non-Stick Electric Sandwich Toaster

This sandwich oven is designed for convenient and efficient sandwich preparation. It features non-stick cooking plates for easy food release and cleaning.

Product Overview

Efficient Sandwich Preparation

The FS-8009A sandwich oven is designed for convenient and efficient sandwich preparation in any kitchen environment. Featuring non-stick cooking plates, it ensures easy food release and hassle-free cleaning after use. Its compact design allows for easy storage, while the built-in heating element guarantees even heat distribution for perfectly toasted sandwiches every time.
