

Novelty Building Block Calculator Set

This novelty calculator set contains two calculators shaped like building blocks. Each calculator features a digital display and standard function buttons.

Product Overview

Novelty Building Block Calculator

This unique calculator set features a creative design inspired by popular building blocks, making it a perfect gift or novelty item for office or school use. Despite its playful appearance, it functions as a reliable 8-digit calculator, ensuring accuracy for basic daily calculations. The unit is powered by solar energy, eliminating the need for battery replacements and offering an eco-friendly solution for your desk.
