

# Off-Road Mountain Bicycle with Basket

This mountain bicycle is designed for off-road use. It features a durable frame, front basket, and mudguards.

## Overview

### Rugged Versatility for Daily Commutes

This off-road mountain bicycle is designed for versatility, combining robust off-road capability with practical urban utility. Featuring a durable silver frame with striking purple and teal accents, it is equipped with a front basket and full mudguards for all-weather convenience. The knobby tire tread ensures reliable traction on varied terrain, while the multi-speed derailleur system offers smooth gear transitions for different riding conditions.
