

# Oil-Filled Radiator with Adjustable Thermostat

This oil-filled radiator provides consistent warmth with multiple heat settings and an adjustable thermostat. It includes overheat protection, indicator lights, smooth castors, and cord storage for convenience and safety.

## Product Overview

### Efficient Space Heating Solution

This oil-filled radiator is designed to provide consistent and efficient space heating for both residential and office environments. Featuring a multi-fin design, it ensures optimal heat distribution throughout the room. The unit is equipped with a user-friendly control panel, allowing for precise adjustments to temperature and power settings to suit your comfort needs.

## Key Features

### Key Features

- Adjustable thermostat for temperature control
- Multi-fin design for efficient heat distribution
- Integrated caster wheels for easy mobility
- Built-in safety features

## Design & Usability

### Control Interface

Adjustable Thermostat • Power Level Settings

### Mobility

Caster Wheels, Portable, Easy Maneuverability

## Performance Metrics

### Recommended Use

Suitable for home and office environments
