Overview

Efficient Oil-Filled Space Heater

This oil-filled space heater provides consistent, reliable warmth for professional and residential environments. Designed for efficiency, it features fast heat radiation, adjustable thermostat controls, and three distinct heat settings to ensure optimal comfort. Built with safety in mind, the unit includes a triple overheat protection system and has been pressure-tested for durability.

Technical Specifications

Power Supply	220-240V, 50/60Hz
Certifications	GS, CE, EMC, ROHS
Fin Size	160 mm

Features

Key Features

- 3 heat settings
- Adjustable thermostat control
- Triple overheat protection system
- Operation switches with indicator lights
- Pressure tested for safety
- Smooth castors for easy mobility
- Integrated cord storage
- Easy-to-clean design
