

Oil-Filled Space Heater with Adjustable Thermostat

This oil-filled radiator provides efficient and silent radiant heat for indoor spaces. It features adjustable thermostat control and multiple heat settings for customized comfort.

Product Overview

Efficient Heating Performance

This oil-filled space heater is designed for efficient, silent heating in residential or office environments. It features adjustable heat settings and a built-in thermostat to maintain consistent comfort levels. With a robust triple overheat protection system and pressure-tested construction, it offers a reliable and safe heating solution for indoor spaces.

Technical Specifications

Voltage / Frequency	220-240V, 50/60Hz
Heat Settings	3
Turbo Fan Power	400 W
Fin Size	150*580MM

Safety & Certification

Safety Features

Triple Overheat Protection • Pressure Tested • Indicator Lights

Certifications	GS, CE, EMC, ROHS
