

# Outdoor Electric Insect Killer

This insect killer is designed for outdoor use, providing effective pest control through its illuminated grid. The device features a durable construction and a collection tray for easy cleaning and maintenance.

## Product Overview

### Effective Outdoor Pest Control

This outdoor electric insect killer is engineered to provide reliable pest control for various outdoor environments. Utilizing an illuminated grid system, it effectively attracts and eliminates flying insects to maintain a comfortable, pest-free space. The unit is built with durable materials for long-lasting performance and includes a convenient collection tray for hassle-free maintenance.

## Technical Specifications

### Usage Environment

Outdoor

### Core Features

- Illuminated grid technology
- Durable construction
- Removable collection tray
- Effective pest attraction

### Maintenance

Easy cleaning via collection tray
