

# Outdoor LED Linear Lighting Fixture

This linear LED lighting fixture is designed for outdoor applications, delivering efficient and uniform illumination. Its durable construction ensures reliable performance in harsh environments, making it suitable for architectural and pathway lighting.

## ADDITIONAL IMAGES

## Product Overview

### High-Performance Outdoor Illumination

This high-performance linear LED lighting fixture is engineered for demanding outdoor environments, providing both efficient and uniform light distribution. Its robust construction ensures long-term durability and weather resistance, making it an ideal choice for architectural highlights, pathways, and general area lighting. Designed with ease of installation and low maintenance in mind, this fixture offers a reliable and cost-effective lighting solution for professional applications.

## Key Features

### Installation & Design

- Robust weather-resistant housing
- Integrated mounting brackets included
- Engineered for long lifespan
- Simple maintenance design

### Suitable Applications

Architectural Lighting, Pathway Lighting, General Area Lighting, Landscape Lighting
