

Outdoor Remote Controlled Timer Outlet

This outdoor timer outlet includes remote control and 3 grounded outlets. It can be programmed to turn on at dusk and off at dawn, or after a set number of hours, and is suitable for CFL, LED & incandescent lighting.

Product Overview

Smart Outdoor Power Control

This outdoor photoelectric timer with remote control provides a versatile solution for managing outdoor lighting and animated holiday decorations. Featuring three grounded outlets, it allows for automated dusk-to-dawn operation or programmable settings for 2, 4, 6, or 8-hour intervals. The system includes a remote transmitter capable of overriding the timer from up to 100 feet away, ensuring convenient control from inside the home.
