

Over-the-Door Hook Rack with Sea Life Design

This over-the-door hook rack is made from stainless steel. It features cutouts of sea creatures including a seahorse, fish, starfish and seashell.

Product Overview

Decorative Coastal Storage Solution

This over-the-door hook rack combines practical organizational storage with a charming sea life aesthetic. Crafted from durable stainless steel, the design features intricate cutouts of seahorses, fish, starfish, and seashells. It is an ideal addition for bedrooms, bathrooms, or entryways, providing a functional way to hang towels, coats, and accessories while adding a touch of nautical decor.
