

Petrol Chainsaw

This petrol chainsaw is a robust and powerful tool designed for demanding cutting tasks. It features a high-performance petrol engine, delivering reliable power and efficient operation.

Product Overview

Professional Petrol Chainsaw

This robust petrol chainsaw is engineered for high-performance cutting, featuring a reliable single-cylinder, two-stroke air-cooled engine. With a power output of 2.2kW, it is designed to handle demanding tasks with ease and efficiency. Its ergonomic construction ensures operator comfort during extended use, while safety features provide peace of mind in professional environments.

Technical Specifications

Engine Performance

49.3 cm³

Displacement

2.2 kW

Rated Power

3 HP

Horsepower

3200 r/min

Idling Speed

Cutting Specifications

- 20 inch (50cm) maximum cutting diameter
- 18 inch (45cm) alternative cutting diameter

Operations

Tank Capacities

| Component | Capacity |
|-----------------|----------|
| Fuel Tank | 550ml |
| Engine Oil Tank | 260ml |

Fuel Mixing Ratio: 1:35 (Oil/Gasoline)

Logistics

Packaging and Weight

| Metric | Value |
|---------------|-----------------|
| Case Quantity | 2 pcs |
| Gross Weight | 18 kg |
| Net Weight | 17 kg |
| Measurements | 55 x 47 x 34 cm |
