

Petrol Powered Chain Saw

This chain saw is designed for professional and home use. It delivers exceptional cutting power for felling trees, trimming branches, and cutting firewood.

Product Overview

High-Performance Petrol Chainsaw

This petrol-powered chainsaw is engineered for efficiency and reliability in demanding wood-cutting tasks. Featuring a robust single-cylinder, two-stroke air-cooled engine, it delivers consistent power for felling trees and trimming branches. Its ergonomic design and balanced weight distribution are optimized to reduce user fatigue during extended operation, making it a versatile tool for both professional and home maintenance applications.

Engine Performance

Rated Output Power

1.5 kW

Rated Output

7500 rpm

Rated Speed

Engine Details

- Type: Single Cylinder, Two-stroke, Air-cooling
- Displacement: 37.1cc
- Cylinder Diameter x Stroke: 39mm x 31mm

Fuel & Fluids

Fuel & Oil Capacities

Component	Capacity
Fuel Tank	310ml
Engine Oil Tank	210ml

Fuel Mixture Ratio 25:1 (Gasoline to Two-cycle Oil)

Cutting Specifications

Chain Specifications

- Pitch: 3/8"
- Gauge: 0.050"

Available Guide Bar Sizes 14", 16", 18"
