

Pneumatic Wheel Hand Truck 250 kg Capacity

This hand truck has a load capacity of 250 kg. It features pneumatic wheels and a toe plate size of 350 x 185 mm.

Product Overview

Heavy-Duty Material Handling

This robust hand truck is engineered for efficient material handling in demanding environments like warehouses and distribution centers. Featuring a high-strength steel frame and a substantial 250 kg load capacity, it provides reliable performance for heavy-duty tasks. The design prioritizes operator comfort and maneuverability with ergonomic handles and pneumatic tires that ensure smooth transport across various surfaces.

Performance & Capacity

Maximum Load Capacity

250 kg

Load Capacity

Load Capacity (Imperial)	551 lbs
