

Portable Bluetooth Speaker

This portable speaker delivers high-performance audio with enhanced bass and clear treble. Its sleek design and long battery life make it ideal for indoor and outdoor use.

Overview

Versatile Portable Audio & Power Solution

This multi-functional portable Bluetooth speaker is designed for versatility, featuring a 4-band AM/FM/SW1-2 radio and multiple input options including USB and TF slots. Equipped with a high-capacity 7500mAh lithium battery and an included 3W solar panel, it serves as a reliable power source and emergency tool with its integrated LED torch and power bank capabilities. It is an ideal solution for outdoor activities, providing both entertainment and essential utility features like mobile charging and external LED lighting.
