

# Portable Ceramic Gas Heater

This portable gas heater is designed for indoor use. It features a ceramic heating element, multiple heat settings, safety features, and castor wheels for mobility.

## Product Overview

### Efficient Portable Heating

This portable ceramic gas heater is designed to provide reliable, supplemental warmth for small to medium-sized indoor spaces. Engineered with safety at the forefront, it includes essential features like an oxygen depletion sensor and tip-over protection. Its compact design, enhanced by castor wheels, ensures easy mobility and versatile placement wherever extra heat is needed.

## Technical Specifications

Heating Element	Ceramic
Fuel Source	Bottled Gas
