Product Overview

Innovative Piston-Structure Steamer

The SY5540 is a versatile 2-in-1 portable garment steamer and iron designed for efficiency and convenience. Featuring a unique piston-structure, it provides a stable 15g/min steam output for consistent wrinkle removal on various fabrics, including silk, wool, and cotton. Its compact, lightweight design and rapid 25-second heating time make it an ideal solution for both home use and professional travel needs.

Technical Specifications

Power Performance

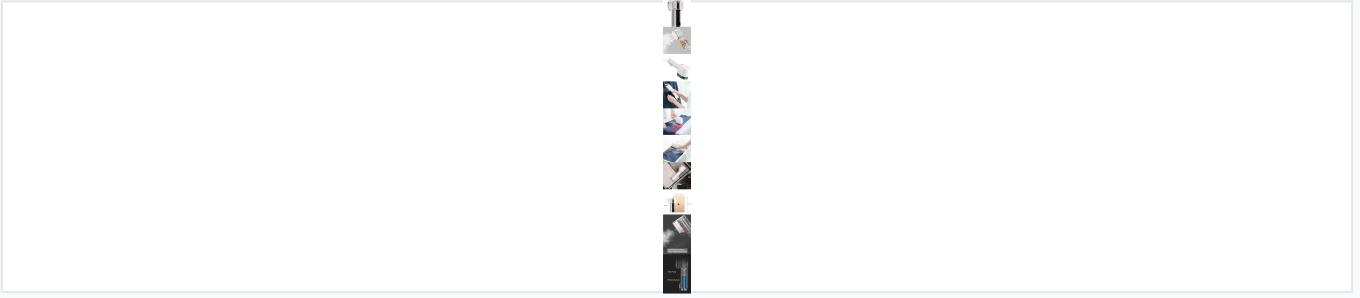

1000 W
Max Power

25 s
Heating Time

15 g/min
Steam Output

Voltage	110/220V
Water Tank Capacity	70 ml
Operational Modes	Dry Iron, Steam Iron

Design & Build

Portable design featuring efficient piston-structure technology.

Dimensions	27.6 x 5.6 x 9 cm
Product Weight	750 g

Safety & Compliance

Certifications

CE • CB • GS • ROHS • EMC • LVD

Patented Innovations
