

Portable Handheld Garment Steamer

This is a portable handheld garment steamer used for quick wrinkle removal. It features a heated steam plate with a brush attachment, a visible water reservoir, and an ergonomic handle.

Overview

Efficient Garment Care Anywhere

This portable handheld garment steamer is designed to instantly refresh clothes, removing wrinkles while cleaning and sterilizing fabrics. Its compact design makes it an ideal companion for vacation travel and business trips, ensuring you look your best on the go. Featuring a removable water tank and versatile steam settings, it provides a convenient solution for maintaining a variety of fabrics including cotton, wool, silk, and velvet.
