

Portable Party Speaker with Lighting Effects

This portable party speaker is designed for both indoor and outdoor use, providing high-quality audio and visual entertainment. It features dual woofers for enhanced bass, a multi-functional control panel, and integrated lighting effects.

Overview

High-Performance Portable Party Audio

This portable party speaker combines powerful audio performance with dynamic disco lighting effects to create an immersive entertainment experience. Featuring a dual 10-inch woofer setup and a dedicated tweeter, it delivers high-fidelity sound driven by an 80W digital amplifier. With versatile connectivity options including Bluetooth, USB, and dedicated inputs for guitars and microphones, it is an ideal solution for karaoke, outdoor events, and professional mobile DJ setups.
