

Power Tool Battery 18V 3.0Ah

This is an 18V 3.0Ah power tool battery. It provides reliable power and extended runtimes for cordless tools.

Overview

High-Performance Power Tool Battery

This 18V 3.0Ah power tool battery is designed to provide reliable and consistent power for a wide range of cordless tools. Built with a robust construction for durability, it ensures efficient power transfer for demanding applications. Its versatile compatibility makes it an essential component for maintaining productivity across various professional tasks.

Technical Specifications

Voltage	18 V
Capacity	3 Ah

Compatibility

Compatible Part Numbers

- 194204-5
- 194205-3
- 194476-2
- 194309-1
- BL1815
- BL1830
- BL1835
- LXT400
