Overview

Professional Price Computing Scale

This professional price computing scale is engineered for retail and catering environments, offering high-precision weighing with dual-display functionality for transparent customer transactions. It features a durable, easy-to-clean stainless steel platter and a rugged ABS housing designed for longevity in busy commercial settings. With advanced PLU management and external printer support, it streamlines checkout processes and inventory tracking.

Certifications & Approvals

OIML • NTEP • Measure of Canada • NSF • CE • WEEE

Weighing Performance

Capacity & Resolution

Model	Capacity
EHC-PF-6	6kg x 2g / 6lb x 0.002lb
EHC-PF-15	15kg x 5g / 30lb x 0.005lb
EHC-PF-30	15-30kg x 10g / 30-60lb x 0.02lb
EHC-PF-50	25-50kg x 20g / 50-100lb x 0.05lb

Load Cell Technology

Single Aluminum load cell with resolution up to 1/7,500

Construction & Design

Physical Dimensions

335 mm

Platform Length

225 mm

Platform Width

133 mm

Overall Height

Construction Materials

Stainless Steel Platter, ABS Housing, Cast Aluminum Bracket

Functions & Connectivity

Interface & Keys

- 25-key numeric and function keypad
- Includes 5 PLU hot keys
- Dual-window LCD display with white backlight
- Character height: 18.5mm

Connectivity & Power

- RS232 Serial Port
- USB Port
- External Printer Support (Argox OS-2130D)
- 12V DC 500mA Power Adapter
- 6V 4Ah Lead-acid rechargeable battery

PLU Capabilities

265 PLU memory capacity, storing Name, Ingredients, Shelf Life, Unit Price, and Item Code
