

Rechargeable 360-Degree Camping Lantern

This rechargeable camping lantern provides 360-degree illumination. It features a sealed lead-acid battery, fluorescent tubes, and a bulb torch.

Product Overview

Versatile 360-Degree Illumination

This rechargeable camping lantern provides reliable 360-degree light distribution, making it an ideal companion for outdoor adventures and emergency situations. Equipped with versatile lighting modes allowing for the use of one, two, or three fluorescent tubes, it offers adjustable intensity for various needs. The integrated battery includes safety features such as overcharge and overdischarge protection to ensure long-lasting performance.
