

Rechargeable 360-Degree Camping Lantern

This rechargeable camping lantern provides 360-degree light distribution for ambient illumination. It features a 6V 4Ah rechargeable sealed lead-acid battery and a 6V 0.5A bulb torch.

Product Overview

Versatile 360-Degree Illumination

This rechargeable camping lantern provides reliable, ambient 360-degree light distribution suitable for both outdoor expeditions and indoor emergency backup. Equipped with multiple lighting modes including single, double, or triple tube operation, it offers adjustable intensity to suit various needs. With integrated overcharge and overdischarge protection, this lantern ensures safe and efficient long-term operation.
