Product Overview

Professional Illumination Solution

This rechargeable COB LED work light is designed for versatility and durability in demanding environments. Featuring a powerful COB and supplemental LED light source, it delivers reliable brightness for automotive repair, home improvement, and emergency tasks. With its integrated magnetic base and hanging hook, it provides hands-free operation to ensure you can work efficiently in any setting.

Technical Specifications

Brightness

300 LM
Maximum Lumen Output

LED Type	3W COB, 1W LED

Power and Battery

Operation Times

Function	Duration
Charging Time	3-4 hours
Discharge Time	2.5-3 hours

Battery Capacity	1800 mAh

Physical Attributes

Materials

- Aluminum Alloy
- ABS Plastic

Dimensions	185 x 50 x 40 mm

Compliance and Packaging

Quality Standards

CE • RoHS

Packaging	Double blister pack
