

Rectangular Metal Chandelier with Frosted Glass Globes

This chandelier features a rectangular metal frame in a black finish. It suspends four frosted glass globe shades and uses E14 lamp holders for ambient lighting.

Product Overview

Modern Scandinavian Elegance

This rectangular metal chandelier features a minimalist, contemporary aesthetic that seamlessly blends industrial and modern design elements. Equipped with four frosted glass globe shades, it provides soft, ambient lighting perfect for dining rooms, living rooms, or entryways. The fixture is designed for easy installation and versatility, ensuring it complements a wide variety of interior decoration styles.
