

Red Retro-Style Refrigerator

This refrigerator features a vibrant red exterior and chrome handles, evoking a vintage aesthetic. It has a two-door design with separate compartments and is supported by cylindrical legs.

Product Overview

Vintage Aesthetics Meet Modern Efficiency

This 142L retro-style refrigerator combines a striking vibrant red exterior with classic chrome detailing to elevate any space with a vintage aesthetic. Despite its nostalgic design, it offers the reliable functionality expected of modern appliances. Featuring a convenient two-door design, it provides separate compartments to efficiently organize your chilled and frozen goods.
