

Retractable USB Flash Drive

This compact USB flash drive is designed for portable data storage and transfer. It features a retractable USB connector for protection and ease of use.

Product Overview

Compact Portable Storage

This retractable USB flash drive is designed for secure and convenient digital data storage. It features a durable, blue translucent casing and a white label area for easy identification. With its retractable connector design, the drive remains protected when not in use, making it an ideal choice for professionals who need to transport documents, images, and video files reliably between different devices.
