

Retro Style Countertop Microwave Oven

This countertop microwave oven features a retro design with gold accents. It includes power level and timer/defrost control knobs and an oval window on the door.

Product Overview

Vintage Aesthetic Meets Modern Convenience

This retro-style countertop microwave oven combines a charming vintage aesthetic with essential modern functionality. Designed for efficiency, it features a 20-liter capacity and a 700-watt power output, making it suitable for quick daily heating and defrosting tasks. The compact footprint and intuitive manual controls ensure it fits seamlessly into smaller kitchen environments while providing reliable performance.
