

Retro Television Style Desk Clock

This retro-style red clock is designed to resemble a vintage television set, complete with two antenna. The clock face features clear, easy-to-read numerals and hands.

Product Overview

Nostalgic Vintage Aesthetic

This retro-style desk clock is meticulously designed to resemble a classic television set from the mid-century era. Featuring iconic dual antennas and speaker-like base detailing, it serves as a sophisticated decorative centerpiece for any office or living space. Its timeless look brings a touch of character and nostalgia while maintaining clear timekeeping visibility.
