

Silicone Spatula Set with Red Heads and White Handles

This set includes three silicone spatulas with red heads and white handles. The spatulas are designed for mixing, scraping, and spreading in the kitchen.

Product Overview

Professional Silicone Spatula Set

This versatile three-piece spatula set is designed for efficient mixing, scraping, and spreading in professional and home kitchens. Featuring durable red silicone heads and clean white handles, these tools provide a perfect balance of performance and aesthetics. The heat-resistant silicone is safe for use on all cookware surfaces, including non-stick pans.
