

Silicone Trivet and Hot Pad Set - Blue, Concentric Design

This set includes one large trivet and six smaller hot pads. Made from durable, food-grade silicone, they feature a concentric circle design for excellent grip and heat dissipation.

Product Overview

Versatile Heat Protection

This silicone trivet and hot pad set offers superior surface protection with a stylish, concentric circle design. Crafted from durable, food-grade silicone, these pieces are flexible and heat-resistant, making them ideal for handling hot pots and pans. With a multi-piece set configuration, they provide versatile utility as trivets, coasters, or placemats for various kitchen needs.
