

Silver Electric Step-Through Bicycle with Storage

This electric bicycle features a step-through frame for easy mounting and dismounting. It includes integrated front and rear lights, rearview mirrors, and a rear storage compartment.

Overview

Eco-Friendly Urban Mobility

This silver electric step-through bicycle is designed for efficient and comfortable urban transportation. Featuring an accessible step-through frame, it ensures ease of use for a wide range of riders, while integrated storage solutions make it highly practical for daily commuting. With built-in lighting and safety features, this e-bike offers a reliable, sustainable solution for modern logistics and personal transport needs.
