

Silver Step-Through Motorcycle Scooter

This scooter-style motorcycle has a step-through frame and comes in silver. It can be equipped with a 50CC, 100CC, or 125CC engine.

Overview

Modern Step-Through Design

This silver step-through motorcycle scooter combines professional engineering with a sleek, modern aesthetic suitable for urban transportation. It features a versatile chassis design that accommodates multiple engine displacements to suit different performance needs. With patented designs for the headlight, tail, and overall vehicle structure, this scooter offers a distinctive and reliable solution for daily commuting.

Performance
