

Single Monitor Desk Mount with Keyboard Tray

This desk mount elevates monitors to an ergonomic height, improving posture and reducing strain. Its swivel function allows easy screen sharing.

Product Overview

Ergonomic Workspace Solution

The HDWM003 monitor desk mount is designed to optimize your workstation by combining a single monitor arm with an integrated keyboard tray. Featuring a gas spring counterbalance system, it allows for effortless height adjustment and customized positioning to reduce neck and back strain. This versatile mount clears up valuable desk space, making it an ideal choice for both sitting and standing desk configurations.
