

Slide Sandals for Casual Wear

These slide sandals are designed for casual wear. The sandals feature a synthetic material build, with options in red and blue.

Product Overview

Casual Comfort Essentials

These slide sandals are designed for everyday casual wear, offering a blend of comfort and style. Featuring a durable synthetic construction, they are suitable for various relaxed settings, from the poolside to casual outings. The design prioritizes ease of use with a slip-on style and a supportive sole structure.
