

SOLAS Neoprene Immersion Suit with Pillow

This SOLAS immersion suit is made from 5mm thick neoprene. It features an integrated buoyancy pillow, eliminating the need for an extra lifejacket.

Product Overview

Professional Maritime Protection

The SOLAS Neoprene Immersion Suit with Pillow is a high-performance safety solution engineered for critical life-saving operations at sea. Constructed from premium waterproof and insulated materials, it provides essential thermal protection to mitigate the risk of hypothermia in cold water environments. Designed for rapid deployment, this suit ensures full-body coverage for maritime professionals in emergency survival situations.

Key Features

Compliance & Certification

SOLAS Compliant, Life-Saving Appliance
