

Square Cast Iron Grill Pan

Square cast iron grill pans are designed for stovetop grilling. They feature a ridged cooking surface for searing and fat drainage, a non-stick coating, and a heat-resistant handle, and are suitable for gas, electric, and induction cooktops.

Product Overview

Professional Quality Cast Iron Grill Pan

This premium square cast iron grill pan is designed to bring the perfect sear to your indoor cooking. Featuring a specialized ridged cooking surface, it allows for effective fat drainage and creates professional-grade char marks on meats and vegetables. Built for versatility and durability, the pan is compatible with gas, electric, and induction cooktops, making it a reliable addition to any professional or home kitchen.
