

Square Ventilation Exhaust Fan

This square exhaust fan is designed for ventilation purposes. It is suitable for removing stale air and odors from bathrooms, kitchens, or other enclosed spaces.

Product Overview

Efficient Ventilation Solution

This square-shaped exhaust fan is designed to effectively remove stale air and unwanted odors from enclosed spaces. Featuring a durable white plastic frame and a protective grid-like front cover, it ensures safe operation while maintaining optimal airflow. Its compact design makes it an ideal, easy-to-install solution for bathrooms, kitchens, and other areas requiring consistent ventilation.
