

Stainless Steel Multifunction Pocket Tool

This stainless steel multi-tool is a versatile and compact tool designed for a variety of tasks. It features pliers, a knife blade, a file, screwdrivers, and other useful implements.

Product Overview

Versatile Multi-Tool Utility

This stainless steel multifunction pocket tool is engineered for durability and reliability in diverse environments. Featuring a spring-loaded design with a bead-blasted plier jaw, it provides consistent performance for demanding tasks. The ergonomic construction combines robust stainless steel components with an aluminum and plastic handle for a secure grip.
