

# Step-Through Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame, making it easy to mount and dismount. It is equipped with a front basket and rear rack for convenient carrying.

## Overview

### Efficiency Meets Convenience

This step-through electric bicycle is engineered for urban mobility and daily convenience. Featuring a robust design with integrated utility accessories, it offers a practical solution for commuting or errands. The low-step frame ensures easy mounting and dismounting, while the included storage options enhance its versatility for professional or personal use.
