

Step-Through Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame for easy mounting and dismounting. It is equipped with a front basket, rear rack, and integrated battery pack.

Product Overview

Designed for Accessibility and Utility

This step-through electric bicycle is engineered for convenience and daily utility, featuring a low-frame design that allows for effortless mounting and dismounting. Equipped with a practical front basket and a sturdy rear rack, it is an ideal solution for urban commuting or light cargo transport. The integrated electric motor in the rear wheel provides reliable assistance, while the safety-focused design includes a front headlight and rear reflector for visibility.
