

Step-Through Electric City Bicycle

This electric bicycle is designed with a step-through frame for easy access and comfortable riding. It is equipped with a front basket and rear rack, making it suitable for carrying items during urban commutes or leisure rides.

Overview

Efficient Urban Mobility

This step-through electric city bicycle is designed for convenient and reliable urban commuting. Featuring a robust 350W brushless motor and a maintenance-free battery system, it offers a practical range of 25-60km per charge. The streamlined, highly strengthened frame ensures durability, while the user-friendly design makes it an ideal choice for daily transportation needs.

Performance

Motor Power

350 W

Rated Power

48 V

Voltage

Maximum Speed	20 km/h
Range per Charge	25-60 km

Technical Specs

Battery Type	Lead-acid maintenance-free
Battery Capacity	12 Ah
Net Weight	40 kg
Brake System	Drum brake

Design

Wheel Size	22" x 2.125
Available Colors	Dark Blue, Sky Blue, Red, Orange, Silver
