

Step-Through Electric City Bicycle with Basket and Storage

This electric bicycle features a step-through frame for easy access and comfortable riding in urban environments. It is equipped with a front basket, rearview mirrors, and a rear storage compartment for practicality.

Overview

Designed for Urban Mobility

This electric city bicycle features a convenient step-through frame design, making it ideal for easy mounting and dismounting in busy urban environments. Equipped with an integrated battery system and a powerful rear hub motor, it offers a reliable solution for daily commuting and errands. The inclusion of a front basket and a rear storage compartment provides practical utility for transporting goods safely and efficiently.
