

Step-Through Folding Bicycle with Basket and Fenders

This folding bicycle is designed with a step-through frame for easy mounting and dismounting. Equipped with a front basket and fenders, it is ideal for urban commuting and recreational riding.

Product Overview

Urban Commuter Folding Bicycle

This versatile step-through folding bicycle is engineered for efficient urban commuting and recreational riding. Its compact, foldable design allows for easy storage and portability, while the step-through frame geometry ensures convenient mounting and dismounting. Equipped with a practical front basket and protective fenders, this bike combines utility with everyday comfort for city navigation.
