

Step-Through Frame Bicycle with Fenders and Rack

This vintage-inspired bicycle features a step-through frame design for easy mounting and dismounting. It is equipped with full fenders to protect the rider from splashes and a rear rack for carrying items.

Overview

Vintage-Inspired Urban Commuter

This step-through frame bicycle combines classic aesthetics with practical urban utility. Designed for comfort and convenience, it features an easy-mount frame geometry and an upright riding posture that is perfect for leisurely town rides or stylish commuting. Equipped with essential accessories including full fenders and a rear cargo rack, this bike is built for durability and daily reliability.
