

Step-Through Frame Electric Bicycle with Basket and Rack

This electric bicycle features a step-through frame for easy access. It is equipped with a front basket for carrying items and a rear rack for additional cargo.

Overview

Urban Commuter Utility Bicycle

This electric bicycle is designed with a user-friendly step-through frame, allowing for effortless mounting and dismounting in busy urban environments. Equipped with both a front storage basket and a robust rear rack, it provides excellent cargo capacity for daily errands or commuting. The compact design and smaller tire profile prioritize maneuverability, making it an ideal choice for navigating crowded city streets or leisure riding.
