

Step-Through Frame Electric Bicycle with Basket and Storage

This electric bicycle has a step-through frame, which allows for easy mounting and dismounting. It also features a front basket for carrying items and a rear storage compartment.

Overview

Designed for Convenience and Utility

This electric bicycle features an accessible step-through frame design, ensuring effortless mounting and dismounting for riders of all levels. Equipped with both a front basket and a dedicated rear storage compartment, it offers practical cargo solutions for daily commuting or errands. The integrated electric motor provides consistent pedal assistance, while added safety features like mirrors and a comfortable saddle ensure a smooth and secure riding experience.
