

Step-Through Frame Electric City Bike

This electric bike is designed with a step-through frame for convenient access. It includes a rear storage compartment, headlight, taillight, and rearview mirrors.

Overview

Designed for Urban Mobility

This electric city bike features a convenient step-through frame design, allowing for effortless mounting and dismounting in busy urban environments. Combining style with functionality, the bike is finished in a vibrant red with sleek black accents and chrome detailing. Equipped with essential safety and utility features, including integrated lighting, rearview mirrors, and rear storage, it offers a practical and eco-friendly solution for daily commuting.
