

Step-Through Frame Motorcycle

This classic motorcycle features a step-through frame, ideal for easy mounting and dismounting. Equipped with a rear rack and standard motorcycle tires, it is designed for urban commuting.

Overview

Urban Commuter Cub Motorcycle

This classic cub motorcycle features a practical step-through frame design, making it an ideal choice for urban commuting and short-distance travel. The vehicle is equipped with a reliable small displacement engine and includes convenient features such as a rear storage rack. Its two-tone aesthetic combines a white front fairing with black body accents for a clean, traditional look.
