

Step-Through Motorcycle with Luggage Rack

This step-through motorcycle is ideal for urban commuting and short-distance travel. It features a single-cylinder engine, front and rear fenders, a small windscreen, and a luggage rack.

Product Overview

Urban Commuter Solution

This step-through motorcycle is designed for efficient urban commuting and short-distance travel. Featuring a reliable single-cylinder engine and a practical step-through frame, it offers ease of use and maneuverability in city environments. The inclusion of a dedicated luggage rack and a protective windscreen makes it a versatile choice for daily transport needs.
