

Stone and Tile Cutter

This cutter is designed for precise and efficient cutting of stone and tile. It features a high-speed motor and adjustable cutting depth for clean and accurate cuts on marble, granite, and tile.

Overview

Professional Stone and Tile Cutting Solution

This high-performance marble cutter is engineered for precision and efficiency, making it an essential tool for cutting stone materials, ceramic tiles, and blocks. Equipped with a powerful 1820W motor, it delivers high-speed performance to ensure clean, accurate cuts on demanding materials. Its compact design and robust construction make it a reliable choice for professional contractors seeking consistent results.

Technical Specifications

Rated Power

1820 W

Rated Power

Power Supply

220V~ / 50Hz

Rated Speed

13000 R/min

Cutting Capabilities

Blade Diameter

110 mm

Max Cutting Capacity

34 mm

Features

Key Features

- High-efficiency precision cutting
- High-speed motor for fast operation
- Durable construction for long-lasting use
- Includes diamond cutting wheel

Suitable Applications

Marble, Granite, Ceramic Tiles, Stone Blocks
